 Laundry & ironing — available upon request, or can be added as a separate service.

 Cooking, ironing, laundry, fridge/oven interiors, or other non-listed extras are not included by default but can be added — priced based on time and scope.

 Bonus: We include one bedding change (including sheets) for free as a courtesy — just leave the fresh set visible.

 Need something extra? Just ask — we're happy to accommodate special requests as long as they're related to cleaning and discussed ahead of time.
